## W-a-l-k?

You may want to make a mention of the two "walks" on May 2. (These are two that I am aware of...there may be more.)

This one benefits the MN Animal Humane Society. We actually walked in this one two years ago and had a blast. Sherman loved taking the bus...it was quite the experience. And we saw quite a few bulldogs (some in wagons and some walking). It takes place in Golden Valley.

This one benefits the Minnesota Valley Humane Society and takes place at the Alimanget Park in Burnsville. If we are in town, we may try to participate in this one as it is closer to home. Their website is [www.MVHSpets.org](http://www.MVHSpets.org) and click on the First Giving website.

Thanks,

Gus

## HUMIDITY!!!

Just a reminder that humidity can cause your dog to overheat long before you think it's "hot" out. Keep an eye on your dog and ask your vet about other signs of distress!

## Licensed?

Licensed breeders sounds like a good idea doesn't it? Not unless you know the requirements for licensing. Read this post by Christine Keith for a true perspective in an easy to understand format.

# Must GIVE AWAY ASAP!

\*PRICE: free\*

MUST REHOME due to new addition to family. After two long years of being on waiting list for an agility dog, we have been notified by the breeder that, at long last, our number has come up and WE ARE HAVING A PUPPY!!! We must get rid of our children IMMEDIATELY because we just know how time consuming our new little puppy is going to be and it just wouldn't be fair to the children. Since our little puppy will be arriving on Monday we MUST place the children this weekend!

They are described as:

One male - His name is Tommy, Caucasian (English/Irish mix), light Blonde hair, blue eyes. Four years old. Excellent disposition! He doesn't bite, is temperament tested, does have problems with peeing directly in the toilet. Has had Chicken Pox and is current on all shots. Tonsils have already been removed. Tommy eats everything, is very clean, house trained & gets along well with others. Does not run with scissors and with a little training he should be able to read soon.

One female - Her name is Lexie, Caucasian (English/Irish mix), strawberry blonde hair, green eyes quite freckled. Two years old. She can be surly at times, is a non-biter, thumb sucker. Has been temperament tested but needs a little attitude adjusting occasionally. She is current on all shots, tonsils out, and is very healthy & can be affectionate. Gets along well with other little girls & little boys but does not like to share her toys and therefore would do best in a one child household. She is a very quick learner and is currently working on her house training - shouldn't take long at all.

We really do LOVE our children so much and want to do what's right for them; that is why we contacted a rescue group. But we simply can no longer keep them. Also, we are afraid that they may hurt our new puppy.

I hope you understand that ours is a UNIQUE situation and we have a real emergency here!!! They MUST be placed in rescue by Sunday night at the latest or we will be forced to drop them off at the orphanage or along some dark, country road. Our priority now has to be our new puppy.

*Thanks for this submission Linda Shelburg!*

# Braggs

Snorton Norton will be 12 years old on April 7th. His legs are wearing out but his sprit and heart are strong. Thank you Rita and Reiny for Amos (Norton's first name), he is the best bulldog ever. :-)

- ◆ And this is my serious face.
- ◆ Are you my mommy?
- ◆ Yep, I think you need a whisker trim too.
- ◆ Respect your elders.....
- ◆ So, does that thing also come in purple?
- ◆ So it's pink, what's your point? Can't a guy present his "feminine" side once in a while?
- ◆ Dang Hal! I think you got the wrong color on.
- ◆ Oh...my...God!!! Where do I get one of those?
- ◆ Careful kid, you may end up with one of these things too.
- ◆ Don't even think about it!!!
- ◆ Some day when you grow up and are as special as I am you can wear your own camisole.
- ◆ "Listen here kid, I won't steer you wrong. You gotta look 'em straight in the eye & don't blink. Just look really sad...and very hungry. Lick your chops a little, that won't hurt. You watch and see, they'll won't be able resist giving you a piece of that sandwich."
- ◆ Are you my mother?
- ◆ Okay, I might have gone overboard with the "Bedazzler"

# Good Deeds

---

Although it seems hard to believe with snow falling on the ground as I write this, Wrinkle Time's "Picnic in the Park" is only six weeks away. Love-a-Bull MN Bulldog Rescue will be having a silent auction at the picnic again this year. If you are doing some spring cleaning and have some dog-related items that you would like to "rehome", we'd be happy to help and will put them to good use at the fundraiser. We are sure to have some interesting items at the auction, so be sure to check it out and bid generously if you are able.

Contact either Rita Guthmiller at: [rita@reingoldbulldogs.com](mailto:rita@reingoldbulldogs.com) Ph: 952-873-3037 or Marcia Tiegs at: [shortlilme@msn.com](mailto:shortlilme@msn.com) if you would like to make a donation to our silent auction. Thanks to all who have supported us so generously in the past.
