GOOD DEEDS

Good news! Gizzy just recently went to her new home and new "mom" Deb reports that she is doing well so far. Gizzy was in foster care since mid-August. She came in with a significant case of chronic bronchitis. An x-ray revealed that Gizzy was born with a very small trachea. She also had a severe elongated soft palate. Gizzy received numerous rounds of antibiotics, a tracheal wash and soft palate resection (aka "palate clip") and we did all we could medically to improve her health, but Gizzy's lungs may never be 100%. Her new owners are aware of that and were willing to accept Gizzy as she is and are thrilled to have her. So far, Gizzy and her new "brother" are getting along fine. Deb, Gizzy's new mom promises to shower Gizzy with kisses every day and treat her like a little princess. Little Gizzy was once a puppy mill "momma dog" before the age of one year, but now she will be a "pampered princess" and hopefully live a long and happy life.

Bacon also has a new home. Bacon is a lucky boy because his new "mom" is a registered nurse who also has another Bulldog who also needs allergy shots. So Bacon's "medical needs" were not a big deal to his new family. He is doing great and adjusting very well to his new life and enjoys long romps in the dog park near his new home.

Jill's owners found her a home on her own before she officially came into rescue, and Howie has had a "meet and greet" with his new family. Hopefully, he will be in his new home very soon. We have a couple more dogs waiting to come into rescue and you will hear more about them next month.

Now for some important news about the "Sponsor A Rescue Bulldog" for the rescue parade at the Nationals this year that I told you about last month -- Participation in this fundraiser has not been as much as expected, so we have decided to extend the deadline to November 15th and to reduce the minimum donation amount. Now you can donate just \$25 as a single donation per family instead of the \$100 (that could be split with up to four families) that was the previous minimum amount. Because of this lower amount and last minute deadline, all donations received in November will just go into the BCARN's general fund. Checks should be written out to BCARN. All money received will go towards helping out various rescue groups across the country that apply for grant money from BCARN to cover extraordinary expenses.

If you are able to participate, please fill out the donation application form on the next page and send it along your donation of \$25. Make checks payable to BCARN. Thank you!

Ok, spit it out, that was suppose to be my treat.

Holy, moly, you have worse breath then me.

Yes, I can see your beautiful dental work.

Hey, hey, watch those hooves!
