From Nose to Tail

This section is intended for questions and answers (as well as opinions) about what has worked best in your house for things from nose wrinkles to tear stains to tail pockets. Keep in mind this is not veterinary advice and what works for one bulldog may not work for the next.

This month's question: What did your bully get for Christmas?

My Nellie got a cooling bed for her kennel! It fills with water for a little extra cooling during summer! - Jeni

Everything that was on his list, treats and toys!

Extra attention because the humans of the house had vacation time!

Treats and toys!

Next month's question: What do you use to clean ears and/or ear infections?

At Lakeview Hospital in Stillwater, a bulldog makes the rounds.

Addie is still in foster care, her left leg has healed up pretty well from knee surgery and soon she will have ACL surgery on her other knee. Once she is healed from that, we will begin to look for a forever home for her. Through Facebook, some kind-hearted Bulldog owners, who don't even live in Minnesota, sent our rescue group some gifts for rescue Bullies. Here is Addie, happily opening her Christmas gifts.

Kathy Jackson of California sent us four lovely, soft fleece blankets. Addie will be going to her new home with a lovely pink one. "Lucy" Langlitz's "mom" from Alabama, sent the box of goodies that Addie is busy checking out in the photos. Both Kathy and Lucy's "mom" are "friends" on Facebook with "Boris" Hendrickson. "Boris" is a very popular Bullie on Facebook and his "mom" Trista is helping to get the word out about Bulldog rescue via Facebook.

Today another Bullie girl came into rescue. Rizzo is 2 ½ years old. She developed some house-training "issues" after suffering from a UTI about six months ago. Hopefully a thorough veterinary exam will be able to figure what the problem is and that it can be treated. Rizzo also needs to be spayed before she can be adopted.

Rizzo is a sweet dog that gets along well with other dogs and has grown up with

kids. She is very entertaining. She knows how to "high five" and "speak". One of her favorite things to do is to chase a laser light dot around the room.

Here is Rizzo showing off her Christmas antlers. We are confident that once her health issues have been addressed, we will be able to find Rizzo a great family that will love her just the way she is.

Writing on the stocking says:
On the twelve days of Christmas
my human friend gave to me
Twelve Toys for Chewing
Eleven Hugs for Hugging
Ten games of Tug
Nine afternoon naps
Eight ear tickles
Seven Tummy Scratches
Six park play days
Five Treats for tricking
Four fancy outfits
Three new tee shirts
Two tasty bones
and a present under the tree..

I'm a good boy I deserve all 12 days of Christmas!!

Candy? What candy? I didn't see any candy in the stocking.

There isn't anything I wouldn't do for LOVE.

Yes, I am one of Santa's Helpers, you have a problem with that?

I am only wearing the collar to get the treats.

Fill 'er up!

I am waiting!

You thought my list was just for Christmas? Wrong, I expect that everyday.

All other elves were busy, so Santa sent me. You got a problem with that?!

Cutest Santa elf ever!

I don't need Santa - I got Mom!

Where did all the dogs go?

Think it can't happen?

Think again.

If we spay and neuter all dogs and ban all breeding, where will it lead?

Read the fine print when contributing to your pet causes. You may be supporting an animal rights group that equates owning domestic pets to exploitation, which threatens your right to own a dog.
